

PSR ADVISORY BOARD MEETING MINUTES
Tuesday, September 8, 2009

The regular monthly meeting of the Parish School of Religion Advisory Board was held on Tuesday, September 8, 2009. Those present were Coordinator Anita Toth, Chairperson Staci Wittenauer, and Board members Lisa Crosson, Lynne Mitchell, and Lois Thompson.

Plans were reviewed and finalized for the Parish School of Religion 2009-2010 Parent/Child Opening Night scheduled for Wednesday, September 9, 2009. In lieu of a regular business meeting board members assisted the Coordinator and Chairperson in the compilation of packets to be given to each family at the Opening Night program. In addition to a calendar and handbook, each packet will contain the learning objectives for the grade in which the student(s) is registered. Parents will be asked to sign the Parent Commitment form in the handbook. The form will be given to the student(s) catechist at the close of the evening's program.

Currently the enrollment for the Parish School of Religion is approximately 260. In addition to the in-school enrollment there are twelve families who have opted to participate in the Home School Program.

The next scheduled meeting of the PSR Advisory Board will be on Monday, October 12, 2009 in the Parish Pastoral Center.

Respectfully Submitted

Lois Thompson
